Dear Chancellors Brogan and Holcombe:

We are writing to you in our capacity as co-chairs of the Task Force on the Future of Academic Libraries in Florida. We are submitting, for your information, the attached report of the Task Force's Technology Subcommittee.

The report, which has been formally approved by the Task Force, offers comments and recommendations about the transition plans submitted by the Florida Center for Library Automation (FCLA) and College Center for Library Automation (CCLA) for consolidating computing services and associated resources at the North Regional Data Center.

We wish to acknowledge the efforts of the Task Force members who devoted substantial time and expertise to this complex assignment as members of the Technology Subcommittee.
