

9.005 Naming of Buildings and Facilities.

The naming of any building, road, bridge, park, recreational complex, or other similar facility of a state university for individuals or groups who have made significant contributions to the university or the State of Florida is the prerogative and privilege of the State University System of Florida and is vested in the Board of Governors. The Board of Governors hereby delegates such approval authority to each university board of trustees provided that the board of trustees establishes procedures for the naming of such buildings and facilities to include the following elements:

- The naming of any building or facility must be approved by the board of trustees as a noticed, non-consent agenda item.
- Honorary naming for buildings and facilities is not allowed for an active State University System member, including staff, faculty, students, or trustees. Exceptions require Board of Governors approval.
- Gift-related naming of buildings or facilities requires a donation which makes a significant contribution to the cost of the building or facility as established by the board of trustees' policy.
- Non-gift related naming should be reserved for individuals who have made significant contributions to the university or to the State of Florida or to the fields of education, government, science or human betterment and who are of recognized accomplishment and character.
